Deputy to the DCI for National Intelligence
Deputy Director for Administration

FROM: Director of Central Intelligence

2. I believe we should begin to move ahead even though [redacted] organization is still just shaping up. We've been a year without a crisis and don't want to get caught short. Perhaps we can designate a temporary crisis collection coordinator from [redacted] organization. Perhaps we can have some arrangement within NFAC for their mechanism to send a team to the State Department crisis center or the Pentagon crisis center, as appropriate.
